Member

AXESS is a specialist pharmaceutical recruitment consultancy that focuses on providing an expert, knowledgeable and professional service to candidates and clients in our sector. We specialise in executive level jobs and interim positions for professionals within Medical Affairs, Regulatory Affairs and Clinical Development including functions such as Pharmacovigilance, Drug Safety and Biometrics.

AXESS was formed in 1990 and we have an unmatched level of experience in this sector. All our senior staff have worked within the pharmaceutical industry which means they can both appreciate the needs for each position and give good advice on recruitment strategy.
